

When does the next Wisdom Circle Cohort begin and end?

While our programs are an annual and recurring membership, I open enrollment twice per year, with new members onboarded in January and July.

What are the meeting dates?

We meet on the first Friday of the month from 9:00 – 10:30 AM Pacific and third Friday of the month from 9:00 – 10:00 AM Pacific via Zoom.

We also offer optional quarterly guest mentor sessions and resource/interest groups that are subject to the speaker's and facilitator's availability.

How are the meetings conducted?

All sessions are virtual Zoom meetings. Calendar invites with login details will be provided upon registration.

What kind of support is offered between meetings?

All cohort participants have access to a private LinkedIn group for support between our semi-monthly meetings where they can share information and resources, ask questions, request feedback, and celebrate achievements. In addition, all participants have access to me via the client log within my Private Client Portal.

What if I'm unsatisfied with the value I'm getting from the program?

I'm so confident in my **Revolutionize Your Role Wisdom Circle Membership Program** that I offer a 30-Day Do The Work Money Back Guarantee. This program is about you taking positive action to experience transformation. If after participating fully (showing up and engaging in scheduled sessions, staying connected via the LinkedIn group, doing the work), you do not agree that the program is worth every penny of the price you paid, just let me know anytime within the first 30 days and I will promptly make arrangements to refund you for the entire amount you have paid to date.

Do you offer scholarships?

As I want to make sure this program is available to everyone who can benefit from it, I offer a limited number of scholarships for those who qualify. Please [contact me directly](#) for more information.
